## 1. Main Worship Area - Marquee

We will have access to a large marquee for our morning and evening worship services. Please note that the marquee will not be heated.

## **2. On-site Registration**

Club directors are to register every member of their group on arrival and each member will be issued with a wristband for identification.

## **3. Administration Folder Inspection**

## **4. Security**

No-one may gain access onto our site that has not been registered by the club director. The names of Sabbath day visitors are to be given to Admin Support at the point of club registration. (See Sabbath Visitor's Form on page 22 of this pack.)

## **5. Child Protection**

The local Church Board is responsible to ensure that each person over the age of 16 years attending Camporee meets the requirements of the British Union Child Protection Policy: Keeping Our Church Family Safe. This includes that person having a cleared Disclosure and Barring System (DBS) certificate. We will also have a named Designated Safeguarding Person onsite for any queries or concerns during the camporee period.

## **6. Dress Code**

Please pay close attention to the information to follow in this section as our dress code should be adhered to very strictly. In general, **modesty** is to be expected of all our campers: Pathfinders and staff whether male or female.

### **6.1 Scarf**

The Adventurer/Pathfinder or Master Guide Scarf **MUST** be worn at **ALL** times throughout this camp. The scarf is a part of field uniform and the dress uniform. There will be no excuse for not wearing your scarf while at camp.

### **6.2 Dress Uniform**

The full-dress uniform must be worn on Sabbath morning only. (See the SEC Uniform Policy on page 23)

### **6.3 Field Uniform**

The field uniform (Church, Area or SEC field uniform) should be worn at all times throughout the camp apart from during the opening ceremony. REMEMBER, the scarf is part of the field uniform.

## 7. Medical Care

Each club is responsible for providing medical care for their own group.

At least one person of the club's first aid team should be qualified to a minimum level of First Aid at Work and have an appropriate first aid kit for the size of the group and the nature of the activities.

A completed Medical Information form for each member of the group must be obtained and kept as part of the club Administration Folder. This is found on page 20 of this pack.

Clubs may carry, at their own discretion, various over the counter (OTC) drugs. However, they can only be supplied to a child with parental permission as indicated on the Medical Form.

Over the counter drugs should be stored separately from the first aid kit and may include:

- Sun creams or sprays, at least factor 15
- Lotions for after sunburn treatment
- Insect bite cream
- Pain Killers - Paracetamol, Co-codamol 8/500
- Anti-inflammatory drugs - Ibuprofen (also known as Neurofen)
- Anti-diarrhoeal - Loperamide
- Constipation - Plenty of Fruit and Vegetables, if this fails, Lactulose
- Antihistamines (for insect bites)
- Chlorpheniramine (Piriton) Sedating
- Cetirizine Non-sedating
- Anthisan cream

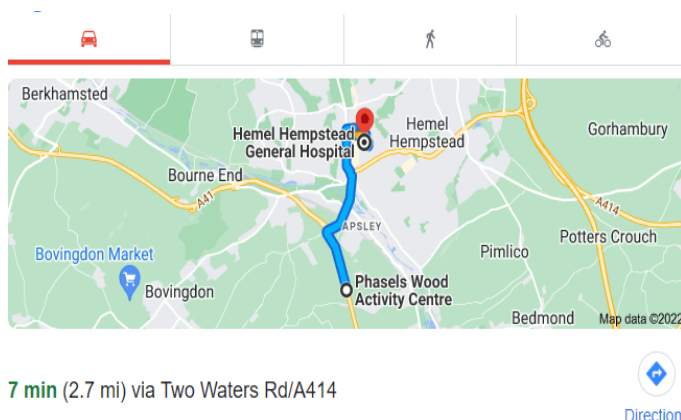

Any other drugs, such as antibiotics, will have to be provided via the local GP or Accident and Emergency facility.

Group members who need medication (e.g. for diabetes, asthma or hay fever) should bring a double supply of their medication and a spare prescription to take to the chemist.

The Club's First Aid Team should keep each group member's medication in a separate bag clearly marked with the individual's name and monitor the distribution carefully. These should be stored in a safe and secure place.

### 7.1 Camporee Emergency Protocol
